Greetings,

École John Stubbs Memorial School's Parent Advisory Council (PAC) is planning our annual Spring Fair scheduled for May 3rd, 2018. This year's fundraising event is a great way to bring the community together and bid farewell to our departing families.

ÉJSMS is located within the heart of Belmont Park and is the local French Immersion school for School District 62. The student population is over 750 students from kindergarten through grade 8 and is made up of over 400 families from across the Westshore.

We are looking to local businesses for donations that could be used at the Spring Fair silent auction, including both gift cards and items. Your donation will make a huge impact towards the quality of our students learning experience. Funds raised through the Spring Fair provide resources and supplies, sporting fees, transportation, technology, special events and many more programs. We also offer two student bursaries annually to an alumni student of ÉJSMS who is graduating from high school.

If you are able to offer a donation, please contact the volunteer parent indicated below and we will arrange for pickup at your convenience.

Your generous donation will be acknowledged in our PAC newsletters, announcements and communications with the school community.

Thank you very kindly for your consideration.

Sincerely,

Jocelyn Edmunds
Spring Fair Donation Coordinator

Sheryl Williamson
PAC President
